Approved by the Academic Council of SHEI I. Horbachevsky Ternopil State Medical University Healthcare Ministry of Ukraine (Minutes N 13, from 04.12.2018).

History of medicine : textbook / A. Holyachenko, A. Shulhai, H. Saturdayska et al. – Н75 Ternopil : TSMU, 2018. – 128 p.

ISBN 978-966-673-342-2

The textbook highlights the main issues and key points in the development of medicine at a variety of historical periods. In addition, the book reproduces the main events, achievements, and names of the Ukrainian history of medicine and pharmacy on a global background.

The textbook fits requirements to the curriculum for medical students and it can be recommended to students of higher educational institutions of the Ministry of Health of Ukraine as a textbook, and for postgraduate students, internists, physicians and all persons, who are interested in the history of medicine.
